## - FULL ACCOYO STUD SIRE -

Accoyo is considered to be one of the top breeding lines in the world.

~ Invador is displaying all the qualities we are breeding for and is a great addition to our genetic pool.

~ Optimum fleece qualities with superior staple length, incredible fleece softness and fineness with excellent coverage and density.

~ He has a fine well aligned crimp style opening cleanly to show off his tiny bundles.

~ His sound conformation and solid bone make up a very true to type Macho

- he is a must have !!
