In summary, these amendments relate to: *Halter Classes* - a revised judging criteria: Fleece 60%; Conformation 40% (formerly 35% with Presentation 5%)-suri class age structure to match huacaya class age structure.-the relevant suri or huacaya section is to be **cancelled as a show competition where less than 10 entries for suri or huacaya are received**, with breeders given the option to attend as a breed display. [Rule 35 - refer note below]-the judging of the suri and huacaya classes is to alternate in the Show Program, where numbers are sufficient. [Rule 55]-companion alpacas, including cria at foot, are not to enter the show ring. [Rule 53] - revised colour classifications relevant to grey and fancy alpacas [Rule 57]

Note: Rule 35 as amended - effective 1st January 2018, reads as follows: “ If actual entries received are 20 or more the full range of colour or age classes should be implemented. Insufficient entries or late withdrawal may render it necessary to combine showing classes. It is at the discretion of the Chief Steward, in consultation with the Judge, to combine showing classes (Note: a minimum of 3 entries per class is recommended).

Where less than 10 entries for suri or huacaya types are received by entry close date, that section is to be cancelled as a competition, with breeders given the option to attend as a breed display.”

Failure to present such advice at inspection will result in disqualification of the animal.

The inspector or Chief Steward will classify all entries for age, sex and colour and has the power to transfer an exhibit to the class which, in his/ her opinion, it should have been entered. The Chief Steward will combine or split classes as he/ she sees fit.

Correct Animal Colour Classifications

An alpaca is to be shown in the appropriate colour class, when it is predominantly that colour. Any colour variations will be assessed at the time of inspection.

As a guide

White: constitutes a pristine, bright white fleece.

Light Fawn: alpacas with a cream or off white fleece or that have light fawn on the neck or backline. [NB: Animals with light fawn on the neck or backline should be entered and shown in the light fawn class].

Grey: a predominantly grey alpaca is to be shown in a grey class, whether or not it has any other coloured spots present and any colour variations will be assessed at the Judge's discretion. The grey classes will include light greys, medium greys, dark greys and rose greys.

Roan: an alpaca that is fawn, brown or black with white fibres through the blanket of the fleece [NB: Alpacas with these characteristics should be entered and shown in a roan class]. A roan usually appears externally to be a solid fawn, brown or black, until the fleece is

opened, at which time the white fibres are visible and uniformly interspersed throughout the fleece.

Fancy: a fancy alpaca is to be shown in a fancy class if it has an unusual or striking distribution or two or more colours on the saddle, neck and/ or legs on or above the knee. This includes appaloosas, pintos and tuxedo fronts where the primary colour is not grey.

Age of Alpaca

Alpacas must be entered into the correct class for their age (i.e. **Age in full months**, on the day of the show).

Sire's Progeny Class

The class is for two progeny by one sire. There shall be at least two entries in the sire's progeny class before the class will take place.

A sire's progeny entry cannot contain a wether, but may be a group of males, females or males and females. Progeny need not be owned or bred by the one exhibitor, but all must be the progeny of the one sire and drawn from ordinary classes. All progeny must have been entered as animal exhibits in the same show as that in which they are to be exhibited as Sire's Progeny.

Only one progeny from any one dam may be shown in each Sire's Progeny Group.

In addition to displaying the Progeny Group entrant number, all members of the Progeny Group are to display their initial exhibitor number from their halter class in the same show, including the number of the exhibit, age of exhibit and months of fleece growth.

Wethers

It is a requirement for wethers to be registered on the IAR to compete at AAA Ltd. run shows.

Protests

Only an exhibitor may lodge a protest against another exhibitor or Show Official. The protest shall be lodged in writing together with a deposit of \$50, which shall be refunded if the protest is upheld. The sole grounds for protest shall be a breach of the Show Rules.

Protests shall be lodged with the Chief Steward or Show Convenor within one hour of the end of the day's showing (when the last animal leaves the ring).

The Chief Steward or Show Convenor shall set up a Protest Committee prior to the commencement of the Show. The Committee shall comprise the Chief Steward as the Chair and two ordinary members not associated with the alleged incident. If an alleged incident occurred resulting in a protest in a class where the Chief Steward was exhibiting and his or her exhibit may have some bearing on the outcome of the protest then the Chief Steward would stand aside and be replaced by the Show Convenor or another suitable member. A meeting will be convened within 30 minutes of the protest being received. The Protest Committee shall immediately investigate the protest and if found to be valid, initiate appropriate action.

Complaints against Judges are to be put in writing, within one week of the alleged incident, addressed to the AAA Ltd. National Secretary, c/- AAA Ltd. National Office accompanied by a \$50 fee, which will be refunded in the event that the complaint is upheld.
