All fleeces for judging to be posted or delivered to the Grafton Show Secretary by **FRIDAY 3rd May 2019**

Alpacas have access into the Showground on Friday 10TH MAY or from 6am on Saturday 11th MAY 2019. All alpacas must be penned no later than 8.00 am on Saturday morning. ALL VEHICLES ONCE UNLOADED ARE TO BE PARKED OUTSIDE THE SHOWGROUND IN VILLIERS STREET.

JUDGING

2019 Judge **Mrs Bronwynn Munn**

Fleece judging will commence at 10.00 am on Friday.

Animal judging will commence at 9.00 am on Saturday..

CONDITIONS OF ENTRY

The general regulations of the Grafton Show appearing in this schedule form part of the AAA Ltd. approved conditions of entry. In the event of any inconsistency between the general regulations and these conditions, the general regulations shall prevail to the extent of the inconsistency unless the general regulations provide otherwise.

This show shall be conducted under the Rules of the Australian Alpaca Association Ltd. as set out in the current rules manual effective 1ST January 2019. These amendments, where relevant to this Show, have been incorporated into this Schedule. In summary, these amendments relate to: *Halter Classes* -a revised judging criteria: Fleece 60%; Conformation 40% (formerly 35% with Presentation 5%)-suri class age structure to match huacaya class age structure.-the relevant suri or huacaya section is to be **cancelled as a show competition where less than 10 entries for suri or huacaya are received**, with breeders given the option to attend as a breed display. [Rule 35 - refer note below]-the judging of the suri and huacaya classes is to alternate in the Show Program, where numbers are sufficient. [Rule 55]-companion alpacas, including cria at foot, are not to enter the show ring. [Rule 53] - revised colour classifications relevant to grey and fancy alpacas [Rule 57]

Note: Rule 35 as amended - effective 1st January 2018, reads as follows: " If actual entries received are 20 or more the full

range of colour or age classes should be implemented. Insufficient entries or late withdrawal may render it necessary to combine showing classes. It is at the discretion of the Chief Steward, in consultation with the Judge, to combine showing classes (Note: a minimum of 3 entries per class is recommended).

Where less than 10 entries for suri or huacaya types are received by entry close date, that section is to be cancelled as a competition, with breeders given the option to attend as a breed display.”

Fleece Classes - the introduction of a requirement for a minimum entry of 20 fleeces to hold a fleece show, with a minimum of 10 fleeces of either type (ie 10 huacaya / 10 suri). [Rule 2]-the exhibit must be the bona fide property of a financial member of the Association who had ownership when the fleece was shorn. [Rule 43]
The registered owner of an exhibit must be a financial member of the AAA Ltd.

ENTRY & HERD HEALTH DECLARATION FORMS

All exhibitors should note the Declaration on the eAlpaca entry form, and ensure that they can comply with all the conditions, particularly noting those dealing with animal health.

Alpacas travelling interstate must comply with NSW Department of Industry requirements. A health certificate and travel permit must be obtained prior to entry into NSW for interstate breeders. All Queensland exhibitors must travel with a waybill or travel permit. Contact your local DPI.

Grafton is in a tick free zone of NSW. All stock entering these grounds MUST be tick free.

Ex-tick infected areas: Exhibitors must contact their local animal health authority at least two weeks prior to the show to ensure all required paperwork and tick treatments are organised.

Ex-tick restricted areas: Exhibitors should contact their local stock office at least two weeks prior to the show to arrange necessary paperwork/treatments.

Ex tick free areas: Require a completed waybill only.

DEPARTURE FROM SHOWGROUNDS

In the interest of show patrons, ALL ALPACAS MUST stay on the grounds until 4.00pm or after judging concludes (if judging goes over 4.00pm) on Saturday. The Convenor must be advised if exhibits need to leave the grounds earlier and MUST have a genuine reason for earlier departure.

PERIOD OF EXHIBITION

Exhibitors MUST keep stalls allocated to their animals clean and give proper attention to their stock throughout the show. Exhibitors must provide their own feed, water and feed containers. Limited straw will be provided. Additional straw can be brought to the showground but please contact your local animal health authority for necessary paperwork to declare any fodder from tick free areas. Straw & Feed will be available for sale at the show.

ADVERTISING

Stud sign banners may not exceed in 1500 mm in height and must be contained within the bounds of the pen. An A4 folder attached to the front of the animal/s pen is permitted for stud promotional use only.

‘FOR SALE’ signs will not be permitted. A handler shall be deemed to be incorrectly attired if his/her dress or the animal being led displays any information capable of being construed as advertising for the stud.

COMPANION ANIMALS AND DOGS

Special permission to bring a companion alpaca MUST be obtained from the convenor prior to submission of the entry form; otherwise NO COMPANION ALPACAS will be permitted. NO DOGS are permitted into the animal showing area precinct. ASSISTANCE DOGS and other AUTHORISED THERAPY ARE EXEMPT.

INSPECTION OF EXHIBITS

All Alpacas must be registered with the Australian Alpaca Association Ltd. and carry an approved brass ear tag showing the alpacas IAR number.

NO ANIMAL SHALL BE ELIGIBLE FOR EXHIBITION IF IT IS NOT ENTIRE (except for wethers).

NOTE: If there is no tag present in the ear of an animal exhibit, official association confirmation either in hard copy or electronically must be provided by the owner to the chief steward that the ear tag has been recently lost and that a new ear tag has been ordered and paid for. Failure to present such advice of inspection will result in disqualification of the animal.

Ear tags must be cleaned prior to show to assist ease of reading by the Stewards.

The Chief Steward will classify all entries for age, sex and colour and has the power to transfer an exhibit to the correct class. The chief steward will combine or split classes as he/she sees fit.

The inspection of animals will commence on Friday and be completed by 8.30am on Saturday.

Alpacas not in their allocated pens and available for inspection by 8.00 a.m. may be disqualified by the Chief Steward. Exhibitors MUST be in attendance at the time of the inspection and will be required to assist.

Exhibits of Huacayas must carry a minimum fleece length of 50mm and a recommended maximum length not exceeding 130mm. The minimum fleece length for Suri is 75mm and fleece length will be assessed by the judge.

Any Alpaca found to have lice infestation must be removed from the showground immediately along with any other alpacas present that belong to the same exhibitor.

EXHIBITOR'S MEETING

The Chief Steward requests that all exhibitors attend a meeting in the show ring at 8.30 a.m. on Saturday.

JUDGING

Fleece judging will commence at 10.00am on Friday.

Animal judging will commence promptly at 9.00 a.m. on Saturday. Starting the Alpaca judging will be the Suri Classes followed by the Huacaya Classes. A competitor may not discuss with the judge their alpacas or proposed exhibits prior to or during the show judging.

The judge's decision shall be final. He/She may choose not to award a prize in a class.

All attendants leading stock in the judging ring shall wear a WHITE COAT over long BLACK trousers or long BLACK skirts with clean black shoes or boots. Black Pants or skirt and black shoes is the compulsory attire for all QLDNNSW Shows. An AAA Logo is the only Logo to appear on the back of coats. The Chief Steward may disqualify an exhibit for incorrect attire.

All exhibitors shall, on the day of the show, obtain their pen position and animal exhibit card numbers from the steward. The animal exhibit number card of the exhibit must be worn whilst in the show ring. The age of the animal will be written in months and age of fleece.

Exhibitors are asked to check that the correct age has been written on the card.

All exhibitors must place their animals into the allocated pens by the stewards and must not be moved or removed except by order from the Chief Steward. All handlers showing animals must be competent in the handling of their exhibit, or removal from the show ring may be requested by the judge. All animals are to have their halters fitted correctly and every animal exhibited must have their own halter.

AGE OF ANIMAL

Alpacas must be entered into the correct class for their age. **(This is the actual age on the day of the show).**

SIRES PROGENY

A Sires Progeny entry **cannot contain a wether**, but be a group of two males, females or males and females. Progeny need not to be owned or bred by the one exhibitor, but all must be the **progeny of the one sire and drawn from ordinary classes.** All

progeny must have been entered as animal exhibits in the show as that in which they are to be exhibited as Sires Progeny.

Only one progeny from any one dam may be shown in each sires progeny group unless the progeny have been born at least eleven months apart. Only one entry fee of \$10.00 (GST inc.) per group of two is required. The exhibit may be entered on the day of the show before 1pm.

CORRECT ANIMAL COLOUR CLASSIFICATION

An alpaca is to be shown in the appropriate colour class, when it is predominantly that colour. Any colour variations will be assessed at time of inspection.

Exhibitors are to note that amendments, effective 1st January 2018, have been made to the AAA Show Rules relevant to grey and fancy alpacas (Rule 57), which rule now refers as follows:

Grey: A grey alpaca may be either rose grey or silver grey in light, medium and dark variants. A grey alpaca is visually “grey” from the exterior (or on opening the fleece). A grey alpaca may or may not have other white markings. A predominantly grey alpaca is to be shown in a grey class regardless of colour variations. A predominantly grey alpaca may be entered in a fancy class if it is registered with the APP(appaloosa) prefix and displays six or more evenly sized spots throughout the blanket area.

Fancy: A fancy alpaca is to be shown in a fancy class if it has an unusual or striking distribution of two or more colours on the saddle, neck and/or legs on or above the knee. This includes pintos and tuxedo fronts where the primary colour is not grey and appaloosas including grey, as defined under Grey above.

Roan: A roan alpaca is one that is brown, black, medium or dark fawn with a significant amount of easily visible white fibres consistently distributed throughout the entire fleece, once the fleece is opened. Any colour inconsistencies will be assessed at the Judge’s discretion.

Note: E-alpaca will automatically allocate animals to the appropriate class, based upon its registered birth date, gender and colour.

RIBBONS AND TROPHIES

Ribbons may be awarded for first, second and third place getters in each class. Fourth and fifth, etc. may be awarded in classes over 10 entrants and at the judge’s discretion. Sashes will awarded to Supreme Champions and Best of Show Champions. The judge is under no obligation to award a placing or sash if he/she considers a place isn’t worthy. Trophies will be presented after each Supreme group have been judged. Fancy, Wether Sections are awarded Best Fancy/Wether Ribbons.

An overall Huacaya Best of Show and Suri Best of Show will be awarded prior to the Sires Progeny class. An overall Best of Show Huacaya Fleece and Best of Show Suri Fleece will be awarded.

PERSONS ENTERING OR EXITING THE JUDGING RING ONCE A CLASS HAS STARTED

No person shall enter the show ring after a judging class begins.

No person shall leave the ring until the judging of the class has been completed and awards for that class have been made, except;

- with the consent of the judge, or
- at the discretion of the judge or ring steward.

All exhibitors must be organized with their animals and must try to keep up with what is going on in the show ring. If any exhibitor is not organized, stewards may consult with the Chief Steward to disqualify that animal in that class. This is to ensure a continual flow throughout the day of the show.

FLEECES

All fleeces being exhibited (including wether fleeces) must be from alpacas registered on the IAR and be the bona fide property of the exhibitor. All exhibitors must be AAA Ltd. financial members.

Fleeces are to be lodged with the Show Secretary at the showgrounds by **5pm** on **3RD MAY** Only one fleece that has been shorn in the 18 months prior to the Show may be shown from any one animal. It is recommended that fleeces be placed in

bags, made of satin or similar material, or heavy duty plastic. Plastic garbage bags should be avoided. Alpacas must have a minimum fleece length of 50 millimetres for Huacaya and 75 millimetres for Suri. It is recommended that maximum fleece length be no more than 130 millimetres for Huacaya. Suri fleece lengths will be assessed by the Judge. Exhibitors, when submitting fleeces at the Show, must attach to the inside of fleece bag the fleece identification slip.

SPONSORSHIP

Sponsorship is available through Stud advertising in the Show program and sponsorship of Huacaya and Suri Halter and Fleece classes. The alpaca show committee sponsorship officer will make contact with all entrants re opportunities available.

BEHAVIOUR OF EXHIBITORS

Every exhibitor, animal handler and groomer of alpacas at a show must behave respectfully towards a judge/s, show officials, show conveners, Chief Steward, stewards and other exhibitors involved in the Alpaca section/s and classes whilst in the general public viewing during the show.

In the event that the exhibitor does not respond to a direction given either by a judge, chief steward or show convener in accordance with the show rules, action shall be taken under the section of the AAA Show Manual dealing with misconduct.

PROTESTS

Only an Exhibitor may lodge a protest against another Exhibitor or a Show official. The protest shall be lodged in writing together with a deposit of \$50, which shall be refunded if the protest is upheld. The sole grounds for a protest shall be a breach of the Showing Rules. Protests shall be lodged with the Chief Steward or Show Convenor within one hour of the end of the day's showing (when the last animal leaves the ring).

The Chief Steward or Show Convenor shall set up a Protest Committee prior to the commencement of the Show. The Committee shall comprise the Chief Steward as the Chair and two ordinary members not associated with the alleged incident. IF an alleged incident occurred resulting in a protest in a class where the Chief Steward was exhibiting and his or her exhibit may have some bearing on the outcome of the protest then the Chief Steward would stand aside and be replaced by the Show Convenor or another suitable member. A meeting will be convened within 30 minutes of the protest being received. The Protest Committee shall immediately investigate the protest and if found to be valid, initiate appropriate action.

Complaints against Judges are to be put in writing, within one week of the alleged incident, addressed to the AAA Ltd. Secretary, c/- AAA Ltd. National Office accompanied by a \$50 fee, which will be refunded in the event that the complaint is upheld.

LIABILITY RELEASE

Entry to and remaining on the grounds is entirely the risk of the exhibitor and to the maximum extent of the law. The exhibitor releases the Australian Alpaca Association Ltd. and the Grafton Show from all claims and demands of every kind resulting from an accident, damage or injury occurring at the Grafton Showground and without limitation the exhibitor acknowledges.

1. The Australian Alpaca Association Ltd and the Grafton Show have no responsibility or liability for any loss, damage or injury caused by an exhibitor.
2. The Australian Alpaca Association Ltd. and the Grafton Show have no responsibility or liability for any loss, damage or injury to or caused by an exhibitor, his or her family, invitees and agents.
3. The Australian Alpaca Association and the Grafton Show have no responsibility or liability for any loss, damage or injury to a motor vehicle or any of its contents whilst located on the Grafton Showgrounds.

SHOW CELEBRATION DINNER

A Dinner to socialise with the Judge and fellow exhibitors on Saturday night: Grafton Ex-Serviceman's club; 7.30pm all welcome.
