Best Junior Handler ~ B. Fullard

The events was well received by the public, exhibitors and participants.

The Junior Handler event is proving to be a great promotional event for the Regions Shows and should be “a must do” for all youngsters smitten by alpacas. Check out the event at the next Regional Show and encourage your Children, Grandchildren, Nieces, Nephews and Friends to enter.

Children do not have to be members but they do need to use a registered alpaca. Most events have alpacas available for “loan”
